F1 under sensor noise
F1 (anomaly class)
Noise level (fraction of raw value)
Full model (RF)
Compact model (DT)
Missed failures vs. false alarms
Rate
Noise level (fraction of raw value)
Full model (RF): recall
Full model (RF): false-alarm rate
Compact model (DT): recall
Compact model (DT): false-alarm rate
Shaded: 95% CI of the mean over 30 repetitions
